

My Day, My Way...Leisure Time on My Own

Your schedule has been quite hectic lately, you have been traveling and the days have been long. You deserve some down time...spent the way you prefer - no one telling you what to do and when to do it. Enjoy your Sunday afternoon before Connections officially begins as you like.

Whether you choose scheduling time at the spa, biking nearby trails, strolling the Desert Botanical Garden, meandering Roosevelt Row - Phoenix Arts District, hiking Camelback Mountain, strolling the streets of Old Town Scottsdale, taking in the learnings of the Southwest at the Heard Museum or admiring the architecture of Frank Lloyd Wright's Taliesin West ... the possibilities abound.

The weather in the Phoenix area is amazing in October - averaging mid-80 degrees F/low 30 degrees C during the day, and a perfect way to begin your Connections 2017 experience after traveling.

You may want to contact the Hotel Concierge to assist you with making arrangements, or you may want to contact the Scottsdale Visitors Bureau to plan an outing, <https://www.experiencescottsdale.com/activities/>, or you may want to take the advice from Trip Advisor, https://www.tripadvisor.com/Attractions-g31350-Activities-Scottsdale_Arizona.html.

This is your opportunity to create fun your way and your style. There is much to do in the area. Enjoy! We will see you later on Sunday at the Welcome Reception.
